

Polytetrafluoroethylene PTFE Plastic Tube Material OEM

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: PTFE tube
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Type: Sheet, Rod, Tube
- Size: Customized
- Plastic Modling Type: Extruding,Mould
- Name: PTFE Tube
- Length: Customized
- Shape: Tube
- Color: White
- Surface Finish: Smooth
- Highlight: **OEM PTFE Plastic Tube,
PTFE Plastic Tube Material,
plastic polytetrafluoroethylene Tube**

Product Description

Product Description:

PTFE Plastic Tube is made of PTFE plastic material, an engineering plastic rod. It provides superior engineering plastic material performance and excellent surface finish. It is designed with customized size and length, and comes in white color with smooth surface. It is perfect for industrial and engineering applications, offering high strength and rigidity, excellent temperature and chemical resistance, as well as superior electrical insulation.

Features:

Product Name: **PTFE Plastic Tube**

Material: **Plastic Polytetrafluoroethylene (PTFE)**

Durability: **Excellent**

Type: **Sheet, Rod, Tube**

Service: **OEM/ODM**

Surface Finish: **Smooth**

Size: **Customized**

Technical Parameters:

Parameter	Value
Material	PTFE Plastic
Size	Customized
Tensile Strength	High
Type	Sheet, Rod, Tube
Surface Finish	Smooth
Durability	Excellent
Name	PTFE Tube
Color	White
Service	OEM/ODM
Plastic Modling Type	Extruding,Mould
Shape	Tube

Applications:

MAKEWELL PTFE plastic tube is a type of engineering plastic material, which is made from high-quality and finely processed PTFE plastic material. It has a tensile strength that is much higher than other engineering plastic materials, and is suitable for various industrial applications. It is widely used in the production of rods, sheets, and tubes, and is highly compatible with other engineering plastic materials. It has a bright white color, and is available in custom lengths. It has been certified by ISO9001 Rohs, Reach, and is available in 10kg minimum order quantity. The price is negotiable, and it can be delivered within 7-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. MAKEWELL PTFE plastic tube has a high supply ability of 100000000 kg per month, and is securely packaged in pallets.

Customization:

MAKEWELL PTFE Plastic Tube Customization Service

Brand Name: MAKEWELL

Model Number: PTFE tube

Place of Origin: China

Certification: ISO9001 Rohs, Reach

Minimum Order Quantity: 10kg

Price: Negotiation

Packaging Details: Pallet

Delivery Time: 7-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 100000000 kg /month

Color: White

Service: OEM/ODM

Type: Sheet, Rod, Tube

Tensile Strength: High

Durability: Excellent

MAKEWELL provides custom PTFE plastic tube made of plastic polytetrafluoroethylene (PTFE) material. We offer a wide range of PTFE tube size and shapes to meet your requirements. Our PTFE plastic tubes are highly durable with excellent tensile strength, suitable for various industrial uses.

Support and Services:

PTFE Plastic Tube offers technical support and service for customers. Our team of professionals provides technical advice and assistance regarding the installation, use and maintenance of our plastic tube products. We also provide services such as troubleshooting, repair, and parts replacement. In addition, we offer training and educational programs to ensure our customers are using our products to their full potential.
