

Blue MC901 Plastic Material With High Surface Hardness Polyester Composition

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: MC 901 SHEET
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Type: Sheet, Rod, Tube
- Material: Polyester
- Flammability: Low
- Finish: Matt
- UV Resistance: High
- Water Resistance: High
- Surface: High Surface Hardness
- Colour: Blue
- Highlight: **Makewell Blue mc901 plastic,**
Makewell mc901 plastic Material,
Makewell Polyester mc901 blue nylon

Product Description

Product Description:

MC901 Material: The Ultimate Engineering Plastic Supplier

MC901 Material is the ultimate engineering plastic supplier providing superior quality plastic materials. This top-notch product is made of polyester, which is known for its excellent properties such as high UV resistance and excellent dimensional stability. Moreover, MC901 Material has a width of 150 cm and features a matt finish.

The product is available in two modling types, extruding and mould, to meet different customer needs. Its superior quality is perfect for a wide range of applications and is one of the most reliable choices for engineering plastic suppliers. MC901 Material is made of nylon and is the perfect choice for those who are looking for a durable and reliable plastic material.

MC901 Material is the perfect choice for those who are looking for a reliable and durable engineering plastic material. With its superior quality, high UV resistance, and excellent dimensional stability, this product is the perfect choice for those who are looking for a high-end engineering plastic supplier.

Features:

Product Name: **MC901 Material**

Water Resistance: **High**

Abrasion Resistance: **High**

Width: **150cm**

Finish: **Matt**

UV Resistance: **High**

Material: **MC901 Nylon**

Specialty: **Engineering Plastic Products**

Technical Parameters:

Parameter	Value
Plastic Modeling Type	Extruding, Mould
Abrasion Resistance	High
Product Name	MC901 Plate/rod/tube
Material	Polyester
Flammability	Low
Width	150cm
UV Resistance	High
Finish	Matt
Size	1,2,3,4,5,6-200mm
Type	Sheet, Rod, Tube

Applications:

MAKEWELL MC 901 SHEET is an engineering plastic sheet made from high-grade nylon material. It is certified with ISO9001, ROHS and REACH and is available in blue color with a matt finish. It is highly wear resistant, UV resistant and has high strength. It has a width of 150cm and can be ordered in minimum quantities of 10kg. The price is negotiable and it is shipped in pallets. Delivery time is 7-15 days and payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. MAKEWELL MC 901 SHEET is capable of supplying up to 100000000 kg per month. It is an ideal choice for engineering plastic material, wear resistance, and UV resistant applications. It is highly durable and has excellent abrasion resistance.

Customization:

MC901 Material Custom Service

MAKEWELL is a reliable engineering plastic supplier offering custom service for MC 901 SHEET plastic material. Our MC 901 SHEET has passed ISO9001, Rohs, Reach certifications and is renowned for its high water resistance and surface hardness. It is available in sheet, rod and tube form in sizes from 1 to 200 mm.

Features & Benefits

Brand Name: MAKEWELL

Model Number: MC 901 SHEET

Place of Origin: China

Certification: ISO9001 Rohs, Reach

Minimum Order Quantity: 10kg

Price: Negotiation

Packaging Details: Pallet

Delivery Time: 7-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 100000000 kg /month

Size: 1,2,3,4,5,6-200mm

Type: Sheet, Rod, Tube

Plastic modling type: Extruding,Mould

Water Resistance: High

Surface: High Surface Hardness

Contact Us Now

If you need MC901 nylon or MC901 material for your project, MAKEWELL is the engineering plastic supplier you can trust. Contact us now for a quote and take advantage of our custom services.

Support and Services:

The MC901 Material provides technical support and service to customers through its website and customer support team. The website offers a range of resources including product manuals, tutorials, FAQs, and more. The customer support team is available 24/7 to answer any questions and provide assistance with any problems related to the product.
