

Customized Polytetrafluoroethylene PTFE Plastic Tube Rods For Industrial

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: PTFE tube
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Size: Customized
- Durability: Excellent
- Surface Finish: Smooth
- Plastic Modling Type: Extruding,Mould
- Shape: Tube
- Type: Sheet, Rod, Tube
- Length: Customized
- Tensile Strength: High
- Highlight: **Polytetrafluoroethylene PTFE Plastic Tube,
Industrial PTFE Plastic Tube,
Polytetrafluoroethylene ptfe rods**

Product Description

Product Description:

PTFE plastic tube is made of special engineering plastics, with plastic polytetrafluoroethylene (PTFE) as the main raw material. As a kind of PTFE plastic material, PTFE plastic tube has excellent corrosion resistance, high tensile strength and a long service life. It is customizable in length and size to meet different requirements. PTFE plastic tube is an ideal choice for applications that require excellent durability and performance.

PTFE plastic tube has superior chemical properties, which makes it well suited for use in applications involving strong acids, alkalis, and other corrosive substances. It is widely used in chemical, automotive, food processing, medical, and other industries that require excellent corrosion resistance. PTFE plastic tube can also resist high temperatures and has superior electrical insulation.

As the leading manufacturer of PTFE plastic tube, we offer superior quality products at competitive prices. With our advanced production technology, we can provide customized products to meet the needs of different customers. Our products are tested to ensure that they meet the highest industry standards.

We are dedicated to providing our customers with the best PTFE plastic tube solutions for their applications. With our excellent services and reliable products, you can rest assured that you are getting the best value for your money.

Features:

Product Name: PTFE Plastic Tube

Name: PTFE Tube

Surface Finish: Smooth

Service: OEM/ODM

Durability: Excellent

Tensile Strength: High

Material: Engineering Plastic Rod, Commodity Plastics and Engineering Plastics, Special Engineering Plastics

Technical Parameters:

Parameters	Details
Name	PTFE Tube
Material	PTFE Plastic
Shape	Tube
Size	Customized
Plastic Modling Type	Extruding,Mould
Length	Customized
Service	OEM/ODM
Type	Sheet, Rod, Tube
Color	White
Tensile Strength	High
Durability	Excellent

Applications:

MAKEWELL PTFE Plastic Tube is a high-performance engineering plastic material, offering superior performance in terms of durability, tensile strength, and excellent surface finish. It is suitable for a wide range of applications in both commodity plastics and engineering plastics industry, such as in automotive, engineering, chemical, and electrical engineering. It is certified with ISO9001 Rohs, Reach, making it an ideal option for those who demand quality assurance. The minimum order quantity is 10kg and the price is negotiable. Packing is usually done in pallet, with fast delivery time of 7-15 days after payment. The payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram, and the supply ability is up to 100000000 kg per month. With its superior performance, durability and tensile strength, the PTFE Plastic Tube from MAKEWELL is the perfect solution for any engineering or commodity plastic needs.

Customization:

PTFE Tube – Customizable and Durable Plastic Polytetrafluoroethylene

MAKEWELL offers premium PTFE tubes made with engineering plastic material. Our custom-made plastic polytetrafluoroethylene tubes are made with the highest quality and come with excellent durability. We are certified with ISO9001 Rohs, Reach and guarantee our PTFE tubes.

Brand Name: MAKEWELL

Model Number: PTFE Tube

Place of Origin: China
Certification: ISO9001 Rohs, Reach
Minimum Order Quantity: 10kg
Price: Negotiation
Packaging Details: Pallet
Delivery Time: 7-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 100000000 kg/month
Durability: Excellent
Length: Customizable
Name: PTFE Tube
Plastic Modling Type: Extruding, Mould
Surface Finish: Smooth
Choose MAKEWELL for your PTFE tube needs and get the best quality plastic engineering material. Contact us for more information.

Support and Services:

We provide technical support and services for PTFE Plastic Tube. Our team of experienced professionals is available to answer any questions you may have about our products. We are also available to provide installation instructions and troubleshooting assistance. Our knowledgeable staff is always ready to assist you with any of your needs.
