

Polyoxymethylene POM ESD Sheet Plastic White Black Gray Customized

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: POM-C ESD
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Thickness: 1.0mm-50mm
- Length: 1000mm-6000mm
- Product Name: POM ESD Sheet
- Color: White/ Black/ Gray/ Customized
- Surface: High Surface Hardness
- Surface Treatment: Polishing/Sand Blasting/Brushing
- Material: POM
- Size: 600*1200mm 1000*2000mm Custom Size
- Highlight: **Changzhou Makewell White POM ESD Sheet, Changzhou Makewell Customized POM ESD Sheet**
,
Changzhou Makewell ESD polyoxymethylene sheet

Product Description

Product Description:

POM ESD Sheet is a high quality polyoxymethylene (POM) material, specifically designed for electrostatic discharge (ESD) applications. It is available in many thicknesses from 1.0mm to 50mm and sizes up to 600x1200mm and 1000x2000mm, or custom size and length up to 6000mm. It offers excellent surface finish, including polishing, sandblasting and brushing, and it is perfect for a wide range of applications. The POM raw material gives the product excellent mechanical strength and thermal stability, and its black color makes it ideal for use in ESD applications. It is highly resistant to wear and tear, and it offers excellent electrical properties, ensuring protection for sensitive components. POM plastic material is highly reliable and durable, making it perfect for long-term applications. With its excellent anti-static properties, POM ESD Sheet is the perfect choice for ESD applications.

Features:

Product Name: POM ESD Sheet

Size: 600*1200mm, 1000*2000mm, Custom Size

Surface Treatment: Polishing, Sand Blasting, Brushing

Material: POM

Length: 1000mm - 6000mm

Keywords: POM Raw Material, POM Plastic Sheet, POM Plastik Sheet, POM ESD Sheet

Technical Parameters:

Property	Value
Product Name	POM ESD Sheet
Material	POM (Polyoxymethylene)
Thickness	1.0mm-50mm
Surface	High Surface Hardness
Length	1000mm-6000mm
Surface Treatment	Polishing/Sand Blasting/Brushing
Size	600*1200mm, 1000*2000mm, Custom Size
Color	White/ Black/ Gray/ Customized

Applications:

MAKEWELL POM-C ESD Sheet is a recycled POM raw material, and it has a high surface hardness after polishing, sand blasting or brushing treatment. It has a size of 600*1200mm-1000*2000mm and a thickness of 1.0mm-50mm, and the length can be customized from 1000mm-6000mm. This POM ESD Sheet is certified by ISO9001, RoHS and REACH. The minimum order quantity is 10kg and the price depends on negotiation. The packaging is a pallet and the delivery time is 7-15 days. We accept payment terms such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Our supply ability is 100000000 kg/month.

Our MAKEWELL POM-C ESD Sheet is perfect for a wide range of applications, such as electric and electronics, automotive, medical, mechanical and other industrial engineering. It provides excellent performance, durability and safety for your products. It has great electrical insulation properties and mechanical strength, and it is also resistant to heat and corrosion. It is an ideal material for making components and parts of electronic products, automotive parts, medical equipment, etc. It is a great choice for people who are looking for high-quality and cost-effective POM Sheet and POM ESD Sheet.

Customization:

MAKEWELL POM-C ESD

MAKEWELL POM-C ESD is a black POM material, POM plastic material, and recycled POM material, certified with ISO9001, Rohs, and Reach. It has a high surface hardness and comes in white, black, gray, and customized colors. It has a thickness of 1.0mm-50mm and a length of 1000mm-6000mm. The size of the material is 600*1200mm and 1000*2000mm, or it can be customized. The minimum order quantity is 10kg and the price is negotiable. The packaging details are pallet and the delivery time is 7-15 days. The payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram and the supply ability is 100000000 kg/month.

Support and Services:

Technical Support and Service for POM ESD Sheet

We provide comprehensive technical support and service for POM ESD Sheet products.

Our team of experts provides technical advice and guidance for the installation, maintenance and troubleshooting of POM ESD Sheet products. We also provide technical support for custom configurations and modifications to meet specific requirements.

We also provide training services to help ensure that your staff are fully trained and knowledgeable to get the best performance from our products.

If any problems arise with the POM ESD Sheet product, our team is available to provide assistance and troubleshooting advice. Our team is available to provide support via email, phone, or online chat.
