

Custom CNC Machining Nylon Polyamide PA6 Oil Engineering Plastic Sheet

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: Nylon PA6 Oil
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Type: Sheet, Rod, Tube
- Item: Custom Cnc Machining Engineering Plastic Products
- Color: Yellow, Green, Black
- Product Name: Nylon PA6 Oil
- Surface: High Surface Hardness
- Plastic Moulding: Extruding, Mould
- Oxidation Stability: Good
- Size: 15-100mm Diameter
- Highlight: **Makewell PA6 Oil Sheet,**
Makewell CNC Machining PA6 Oil,
Makewell polyamide pa6 Sheet

Product Description

Product Description:

PA6 Oil is a high-grade plastic engineering company with a strong focus on the production of polyamide PA6 and nylon PA6 6. It is a quality product that is designed for superior performance, offering good oxidation stability, making it ideal for a wide range of applications. It comes in a variety of sizes, ranging from 15 to 100mm in diameter, and comes in a variety of colors such as yellow, green and black. It is available in sheet, rod and tube forms, making it an ideal choice for oil, automotive, industrial and other sectors. PA6 Oil provides innovative solutions to all your plastic engineering needs.

Features:

Product Name: PA6 Oil
Item: Custom Cnc Machining Engineering Plastic Products
Size: 15-100mm Diameter
Color: Yellow, Green, Black
Oxidation Stability: Good
Surface: High Surface Hardness
Keywords: Plastic Engineering Company, Polyamide PA6, PA6 GF30 Plastic

Technical Parameters:

Product Name	Product Attributes
PA6 Oil	Color: Yellow, Green, Black Surface: High Surface Hardness Oxidation Stability: Good Type: Sheet, Rod, Tube Item: Custom Cnc Machining Engineering Plastic Products Plastic Moulding: Extruding, Mould Size: 15-100mm Diameter Plastic Engineering Company Engineering Plastic Sheet PA6 GF30 Plastic

Applications:

MAKEWELL Nylon PA6 Oil is a high-performance engineering plastic sheet which is made of polyamide PA6 material. It offers excellent oxidation stability and is available in yellow, green and black colors. The engineering plastic material has a diameter size range of 15-100mm and can be used for extruding and moulding. It can be used in a variety of applications, such as automotive, industrial, and furniture manufacturing. It is certified by ISO9001, Rohs and Reach, and is available with a minimum order quantity of 10kg. The product is offered at competitive prices with delivery times of 7-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram, and it is packed in pallets. MAKEWELL Nylon PA6 Oil has a high supply capacity of 100000000 kg /month.

Customization:

PA6 Oil
Brand Name: **MAKEWELL**
Model Number: **Nylon PA6 Oil**
Place of Origin: **China**
Certification: **ISO9001 Rohs, Reach**
Minimum Order Quantity: **10kg**
Price: **Negotiation**
Packaging Details: **Pallet**
Delivery Time: **7-15 days**
Payment Terms: **L/C, D/A, D/P, T/T, Western Union, MoneyGram**
Supply Ability: **100000000 kg /month**
Size: **15-100mm Diameter**
Oxidation Stability: **Good**
Type: **Sheet, Rod, Tube**
Plastic Moulding: **Extruding,Mould**
Item: **Custom Cnc Machining Engineering Plastic Products**
Material: **polyamide pa6, nylon pa6 6, polyamide pa6 6, pa6**

Support and Services:

PA6 Oil Technical Support and Service

At PA6 Oil, we are committed to providing the highest quality of technical support and service. Our team is dedicated to helping our customers find solutions to their needs quickly and efficiently.

We offer a range of services to meet your specific needs, including:

Technical support via phone, email, or online chat

On-site installation and maintenance

Troubleshooting and diagnostics

Software and hardware updates

Customized service packages

Our team is available 24/7 to answer all your questions or concerns. Whether you need help with installation, configuration, or any other technical issue, we are here to help.

For more information about our technical support and service, please visit our website or contact us directly.
