

Engineering Plastic Solid Nylon 6 GF30 Bar Products CNC Machining Services

Our Product Introduction

for more products please visit us on makewellplastic.com

Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: Nylon PA6 GF30
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

Product Specification

- Type: Sheet, Rod, Tube
- Density: 1.14 G/cm³
- Product: Custom Cnc Machining Engineering Plastic Products
- Service: OEM/ODM
- Flammability: UL 94 V-2
- Size: 15-100mm Diameter
- Material: Nylon 6 GF30
- Color: NC/BLACK
- Highlight: **Makewell Nylon 6 GF30 Bar,
Makewell Solid Nylon 6 GF30,
Makewell GF30 solid nylon bar**

Product Description

Product Description:

Nylon 6 GF30 is an engineering plastic nylon that provides excellent performance in applications requiring high mechanical strength and flexibility. This engineering nylon is composed of nylon 66 30 GF and has a UL 94 V-2 flammability rating, making it suitable for use in high fire-risk environments. It is available in sheet, rod, and tube form in sizes ranging from 15 to 100mm in diameter. Nylon 6 GF30 is ideal for custom CNC machining engineering plastic products and OEM/ODM services, making it a great choice for projects requiring specialized engineering plastic components.

Features:

Product Name: Nylon 6 GF30

Service: OEM/ODM

Material: Nylon 6 GF30

Flammability: UL 94 V-2

Product: Custom CNC Machining Engineering Plastic Products

Size: 15-100mm Diameter

Specialty: Nylon Engineering Plastic, Nylon 66 30 GF, Plastic Engineering Inc, CNC Machining, UL 94 V-2

Technical Parameters:

Property	Value
Service	OEM/ODM
Material	Nylon 6 GF30
Size	15-100mm Diameter
Type	Sheet, Rod, Tube
Color	NC/BLACK
Flammability	UL 94 V-2
Density	1.14 G/cm ³
Product	Custom Cnc Machining Engineering Plastic Products

Applications:

MAKEWELL Nylon PA6 GF30 is an engineering plastics manufactured by China with high-quality standards and certification, including ISO9001, Rohs, and Reach. It has excellent flammability, meeting the UL 94 V-2 rating. It is ideal for a wide range of uses, and has a density of 1.14 G/cm³. The minimum order quantity is 10kg, and it is available in sizes from 15-100mm in diameter. It is packaged in pallets and is available for delivery in 7-15 days. Payment terms are flexible, with options such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram accepted. The company has a monthly supply capacity of 100000000 kg. OEM/ODM services are also available.

Customization:

MAKEWELL Nylon PA6 GF30

Brand Name: MAKEWELL

Model Number: Nylon PA6 GF30

Place of Origin: China

Certification: ISO9001 Rohs, Reach

Minimum Order Quantity: 10kg

Price: Negotiation

Packaging Details: Pallet

Delivery Time: 7-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 100000000 kg /month

Product: Custom Cnc Machining Engineering Plastic Products

Flammability: UL 94 V-2

Type: Sheet, Rod, Tube

Size: 15-100mm Diameter

Service: OEM/ODM

MAKEWELL Nylon PA6 GF30 is an engineering nylon which is made of premium engineering plastic and provides a variety of custom CNC machining services. It is flame retardant with UL 94 V-2 rating and is available in sheet, rod, and tube form with a diameter ranging

from 15mm to 100mm. It is ISO9001, Rohs and Reach certified, and offers OEM/ODM services. It requires a minimum order quantity of 10kg and prices are negotiable.

Support and Services:

Nylon 6 GF30 technical support and service includes:

Helping customers choose the right material and design for their applications and processes

Assisting customers in determining the cost-effectiveness of product selection

Providing technical data and product specifications to ensure safe and efficient processing

Offering training and installation services

Providing guidance on regulatory and compliance issues

Supporting customers with product quality issues

Offering expert repair and troubleshooting advice
