

## Nylon GF30 PA6 Oil Polyamide Plastic Material Customized

### Our Product Introduction

for more products please visit us on [makewellplastic.com](http://makewellplastic.com)

#### Basic Information

- Place of Origin: China
- Brand Name: MAKEWELL
- Certification: ISO9001 Rohs, Reach
- Model Number: Nylon PA6 Oil
- Minimum Order Quantity: 10kg
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 7-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 100000000 kg /month

#### Product Specification

- Surface: High Surface Hardness
- Product Name: Nylon PA6 Oil
- Oxidation Stability: Good
- Size: 15-100mm Diameter
- Item: Custom Cnc Machining Engineering Plastic Products
- Plastic Moulding: Extruding, Mould
- Type: Sheet, Rod, Tube
- Color: Yellow, Green, Black
- Highlight: **Makewell PA6 Oil Material,**  
**Makewell Polyamide PA6 Oil,**  
**Makewell Nylon polyamide plastic**

## Product Description

### Product Description:

PA6 Oil is an advanced engineering plastic product specifically designed for extruding, moulding and custom CNC machining applications. It is available in a variety of sizes, ranging from 15 to 100mm in diameter, and in attractive colors such as yellow, green and black. PA6 Oil also offers excellent oxidation stability, making it a great choice for durable and long lasting engineering plastic sheet, commodity plastics, and engineering plastics machining needs.

### Features:

Product Name: PA6 Oil  
Plastic Moulding: Extruding, Mould  
Item: Custom CNC Machining Engineering Plastic Products  
Material: Engineering Plastic Material  
Company: Plastic Engineering Company  
Nylon PA6 6F  
PA6 Plastic  
Extruded Plastic  
Surface: High Surface Hardness  
Size: 15-100mm Diameter  
Type: Sheet, Rod, Tube

### Technical Parameters:

Parameter	Value
Product Name	Nylon PA6 Oil
Type	Sheet, Rod, Tube
Color	Yellow, Green, Black
Size	15-100mm Diameter
Oxidation Stability	Good
Item	Custom Cnc Machining Engineering Plastic Products
Surface	High Surface Hardness
Plastic Moulding	Extruding,Mould

### Applications:

PA6 Oil, made by MAKEWELL, is a polyamide material with superior properties including outstanding chemical resistance, excellent wear and abrasion resistance, and high temperature stability. It is also known as engineering plastic sheet, nylon pa6 6, and oil-filled pa6. It is certified by ISO9001 Rohs and Reach, and available in different colors such as yellow, green, and black. It can be used for extruding and moulding. Customers can purchase the product in minimum quantity of 10kg, and the price is negotiable. The packaging is pallet and the delivery time is 7-15 days. The payment terms are L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 100000000 kg /month and the oxidation stability is good.

### Customization:

PA6 Oil  
Brand Name: MAKEWELL  
Model Number: Nylon PA6 Oil  
Place of Origin: China  
Certification: ISO9001 Rohs, Reach  
Minimum Order Quantity: 10kg  
Price: Negotiation  
Packaging Details: Pallet  
Delivery Time: 7-15 days  
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram  
Supply Ability: 100000000 kg /month  
Plastic Moulding: Extruding,Mould  
Item: Custom Cnc Machining Engineering Plastic Products  
Type: Sheet, Rod, Tube  
Color: Yellow, Green, Black  
Product Name: Nylon PA6 Oil

We specialize in producing engineering plastic sheet, rod, tube and other custom CNC machining engineering plastic products. Our PA6 Oil is made of high-quality nylon material, with yellow, green and black colors available. It has excellent wear resistance, stiffness, strength, and heat resistance. It can be used in various industrial fields, such as automotive, machinery, electronics, and aerospace. The minimum order quantity is 10kg, and the delivery time is 7-15 days. We accept payment methods such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

### Support and Services:

The PA6 Oil product offers technical support and service to ensure the highest quality performance and best customer experience. Our technical support team is available 24/7 to answer any questions or concerns you may have. We offer a range of services including troubleshooting, product diagnostics, and maintenance to keep your PA6 Oil product running smoothly. We also provide detailed documentation and tutorials to help you get the most out of your PA6 Oil product. If you ever experience any issues, our customer support team is always available to help you resolve them quickly.
